SKI & SNOWBOARD SCHOOL ●●●●●

"Since our arrival in Serre Chevalier in 2001, we've been dedicating our winters to our skiing clients, welcoming them back year after year. Myself and our instructor team ensure you enjoy individual attention and lots of involvement, in some of the smallest groups in the Alps. Our approach is very different from conventional ski school - group sessions feel like private lessons!"

Safety, safety, safety. Children must wear helmets and be dressed adequately to keep warm and dry. When joining us off-piste you'll be supplied with avalanche safety gear FOC.

Gavin Crosby

is one of the world's highest qualified ski coaches. He holds the BASI (British Association of Snow sports Instructors) International Ski Teacher Diploma and has – the somewhat enviable – full entitlement to teach in France.

"Great comms with Mel when booking - and then a great day on the mountain with Gavin. I couldn't recommend this set up more!"
